

Introducing a new online resource for enrolled families!

<https://familyinfocenter.brighthorizons.com>

The Family Information Center is a secure web destination where you can:

View Center Messages. Your center/school can create short messages to remind you about low supplies, center events, and much more!

Print Tuition Statements. Quickly and easily view your tuition account balance and print statements for your records.

Manage Contact Information. View and edit contact information that your center/school has on file for you and your family.

Prioritize Emergency Contacts. Indicate the order in which we call you or your contacts in case of an emergency.

Sign up today and begin connecting with your center!
